“ *Linda, what can I say!!!! I have known you since I was 15 years old. You, Ning and I have been through a lot and had many adventures!! I am proud to have been your sister in law and friend! In all the years we have known one another, NEVER was a bad word spoken between us!! We gave each other “the “evil eye “ once and a while, but we remained friends! I am blessed to have been able to be there for you and take care of you these past few months. You are in my daily thoughts and prayers and you will forever be missed. Love you!!*

*Linda you'll be missed by so many people. I remember when we meant in junior high. I was 14 years old. You, Anna and I made so many memories. To many to list. I'll never look at a margarita again without thinking of you. You were a great sister in law and my friend you're missed so much. Love you*
