“ I am saddened and heartbroken at the passing of my dear, dear friend Linda...I called her often and we would speak about many things. She always, without fail asked about my great niece (Breanna - 7 yrs old). She said she felt as though she had come to know her well and she felt like her grandmother. I'm sorry Breanna never had the opportunity to meet her. I would look forward to our conversations because I loved to make Linda laugh...she had such a sweet laugh...she would always thank me for that. "Girl, you're so crazy but thank you for making me laugh" - I am going to miss those phone calls very much...Linda and I had been friends for 43 years. When I enlisted in the U.S. Navy in 1978, she asked me what she could send me. I always told her "postcards from New Orleans" so I would picture things back home. She was true to her word and I have kept every single postcard she ever sent me. She was a true friend and I loved her very much. I will miss her terribly as I will our conversations but I know that God has blessed her and has granted her peace...
