Someone I love has gone away and life is not the same.

The greatest gift that you can give is just speak their name.

I need to hear the stories and the tales gone past.

I need for you to understand these memories must last.

We cannot make more memories, since they're no longer here.
So when you speak of them to me its music to my ears.

In respect of Lloyd's wishes there will be no services or visitation.
Arrangements by L. A. Muhleisen & Son Funeral Home.
