

Logan James Cantelli

December 20, 1991 - March 5, 2018

It is with great sadness that the family of Logan James Cantelli announces his passing on Monday, March 5, 2018, at the age of 26, in Baton Rouge, LA. Logan, gone from this life far too soon, will be lovingly remembered by his father and step-mother, Stephen & Terrilynn of Luling, LA; siblings Devin and Gabrielle; grandparents Judy Cantelli, Bonnie Cantelli, Ralph Gordon Logue, Kathleen Logue, Ray and Mary Brogle, and great-grandmother Wynona Kerr, as well as numerous aunts, uncles, cousins and dear friends. He was preceded in death by his mother, Kelly Logue and paternal grandfather Russell Cantelli.

Logan was born in Metairie, LA on December 20, 1991. He graduated from Hahnville High School in 2010 and received a Bachelor's Degree in Chemistry from Louisiana State University's College of Science in December 2017. He worked for See-Hear Productions as a video technician.

Logan had a love for nature, camping, gardening, cooking and baking. He was a talented musician, DJ and song-writer known to his friends as "Diffy Queue" or "Diffy" - his musician name, short for Differential Equations, a mathematical term.

“ It's been so long since I last spoke to you, but my heart is so heavy thinking about the memories I have. We spent so much time together at Richard's house all throughout high school with the three of us just talking for hours. I always admired how intelligent you and Richard were. That intelligence accompanied a lot of wit, so conversations and jokes never ran dry. I often think about how college would've been if we all lived together like we had planned to before I went to another university. Your presence brought a lot of light to many peoples' lives. I wish things were different. Rest in peace Logan. Terrilyn, I'm thinking of you and your family and I'm so sorry for your loss.

“ Dear Judy-

I was so sorry to read of your grandson's passing. Much too young. Parents and grandparents should not have to bear such a loss. You and your family will be in my thoughts and prayers for strength and peace.
