“ Isn't she beautiful and the spittin image of my Christine? This picture is at her office in New Orleans during the 50's. I could go in the warehouse and get a picture of any movie star or scene from a movie! Anything involving Nanny was magical to me. She took me to every premiere, every event, front row seats at Holiday on Ice performances. Nanny and her boyfriend, Pete, took me everywhere with them, to the finest restaurants, swimming at the sea wall on the Lakefront, Pontchartrain Beach, the Fair Grounds, Morning Call in the French Quarter, Borden's Dairy for ice cream. Nanny even came in the operating room at Hotel Dieu when I had my tonsils out! See why she was so special❤️ I'm thankful I had these last four months with you.....I will love you forever and will miss hearing you say "when you coming Jack"
