“ *Gail - Your mother was an inspiration to all - cheerful, kind, compassionate, and a great sense of humor! It was a privilege know her - I will always remember her beautiful smile -Iris Granat*

“ *Dear Picnot Family, although I never met you I did have the pleasure of meeting your Mom/Grandmother Lorraine. My mother also resides at Sunrise and is in the room right next door. I often times spoke to Lorraine at the dining table with my Mom. They enjoyed their meals together and I always enjoyed visiting with her as well. I just learned of her passing today and I am truly saddened by her loss. I always took comfort in knowing my Mom had a buddy at her new home at Sunrise. My deepest sympathy to your family. Lorraine was such a sweet person and she always loved reminiscing! She will be missed dearly. Michelle*

“ Dear Gail and family,  
I don't know if you remember me. Your mom was my kindergarten teacher with Sister Elizabeth at St. James and Susie would babysit me and my sister Liz sometimes. Your mother was always so fun and full of humor, not taking life too seriously. I always loved being around her. Im so sorry for your loss and will pray for your whole family.

“ I send my condolences to Michael and Gail and the entire family. I have such fond memories of "Aunt Lorraine" and she will be missed. I know that she will join the angels and friends / family gone before her, including my dear mother Mary Ann Rolfes.
