“ *Lottie...My memories of you and the girls bring such a smile to my face and enjoyment to my heart. You were such a statue of strength to me. My life was so troubled when I first met you but, all you saw was the good in me. You never judged my shortcomings or pointed out my failures. You only encouraged me to do better, turning my tears into smiles. I will always LOVE you for that! I will never know how you could always find time for me being such a busy mom, wife and business woman but, I can't Thank You enough for your support and Love. You are a great woman and I will miss you dearly! As to the girls, In my heart you are my sisters and I'm so sorry for you loss. Thank you for sharing your mother with me. I pray God keeps you all close to his heart and secure in his hands during this time. Hopefully, I can visit with you all again during a visit home. God Bless you all!
Your friend and brother in memory,
Patrick (Pat) Kelley*
