“ *I am so sorry for your loss. I was with my Mom in North LA, and didn't learn of Louis' death until after I got back. Please know that Mom [and all of us] sends her sympathy, prayers and love. Mom almost died in November, and is still recuperating, but doing much better. You are in our thoughts.*

“ *Louis, I will never really miss you, my love, because people relate and are together in body, mind and spirit. You are now back home with the Father. We are no longer together in body, yet you will never be absent from my mind or my spirit. You have been my special someone in wonderful adventures for over 63 years. Most of all I thank you for keeping your promise to me that we would have a large family. For the 5 children you gave to me and the love you gave to all. Always, your Janet*
