“ *Mrs Lucy was such a special teacher! She wasnt only my teacher but a dear friend! I served on SHS Student Council all 4 years of high school and as President my Senior year so her and I became really close. She has such a light in her eye everyday never a bad thing to say about anyone AND ALWAYS IN GOOD SPIRITS! She lived for SHS and loved her some Friday night football!! We kept in touch after she retired in 1997 as where we should share updates as often as we could and then Katrina came we didnt talk as much but I always thought of her and her Pink Cadillac! She will be missed and cherished everyday by me and many! She will always be a part of out Tiger Family! I LOVE YOU MRS MCCLURE!!! MAY YOU REST IN PEACE AND SHINE DOWN ON US*

“ *Lucy was my best friend during our high school days at Kenner High, as well as like a sister (since I didn't have one). We shared many good times together playing all sports, as well as dancing our shoes off every week-end. She was a beautiful Majorette and led the girls at all the football games, she loved football!*

*We renewed our friendship again in April 2011 when she contacted me; we had lunch and enjoyed many good conversations of the wonderful days of our past lives living in the small town of Kenner in the 50's ... Oh, how great they were... wish we could do it again, Lucy..... I'll probably be seeing you before too long!*

*God Bless you Lucy, and I hope that he keeps you safely in his arms.*

*Until then,  
Lucille*

“ Lucy was a loving person that did her best to be a friend to all. She came to the aid of many, many people. She taught Math at Slidell High from 1970-1997. She was most proud of leading her Student Council. She was easily the most popular teacher in the school. As she often said, she bleed Green and White for her Tigers. She was also a second Mother to Ted Rowley and myself. She looked after us for decades. Ted, I, and the entire Slidell High Family will always cherish our many years together. She was nothing short of a legend. Rest in Peace my dear friend. You have earned a special place in Heaven. Keep an eye out for us too as you look down on your Tigers.

*Mrs. McClure - You were the best teacher I ever had! You were always smiling and having a great time at the football games and pep rallies! Thank you for always being the bright part of the day. Rest in Peace and dance your heart out in Heaven!*

*Lucy was a dear friend to so many students. She often gave to the students in need quietly and without others knowing of her loving gifts. With us living so close to the school, Lucy was often in and out of our home. She loved the excitement of Fridays with the pep rallies and the games, but she also supported all the other sports and activities of S.H.S. May God give her peace she so richly deserves!
