“ Lyndell, we remember the last night we saw you. You gave me a hug, with that big smile and you and Anthony did y'all man dap & hug. Then you looked at me and asked well basically told Anthony, "Man when you're going to marry that woman!" We all laughed but know we will be getting married soon. We will miss your smile and your laughter. You were always good to us and we're glad to have been blessed with your friendship. We love you, R.I.P.
