

## Lynn Bishop

July 31, 1938 - August 19, 2016

Lynn Bishop, owner of The Cottage Antiques-known for her clever interior designs and for having a warm and sincere spirit, passed away at the age of 78. Lynn was loved dearly by her son Chris; her daughter-in-law Marlene; her grandson Callan; and by her treasured extended family and friends. Lynn often underestimated the impact her love had on others. She will be greatly missed. Lynn requested that her memory be served through contributions of any kind to the Michael J. Fox Foudation for Parkinson's Disease Research. Lynn's final request was that there would be no funeral service held. Private arrangements were facilitated and care was given in an intimate and private setting at L. A. Muhleisen & Son Funeral Home.
