“ *Madeline was a cousin and thanks to our grandmothers we got to spend special times together. As we grew there was always that special bond, even if we did not see each other our families kept us united. She truly was that "special person" that people wanted to be around and enjoy. A friend to all and always a wonderful smile. We were shocked to know that she had been ill and had passed. She has left a wonderful legacy through her children. All my sympathy goes out to her children and family.*

“ *I can't begin to express my sincere love and admiration for Miss Madeline. She was an exceptional personality and an absolute joy to be around. I looked forward to every moment I spent with her! She will be remembered fondly by so many. She inspired me to smile and remember that life isn't always perfect, but as long as you keep a good sense of humor, you can handle anything! Many prayers and condolences to the Faust Family.*

“ Well what can I say about your mom.....She was always so much fun and full of life. She was my mom's best friend and like family to us. I have so many memories of her and the crazy stories.....where do we start. But the one that stands out the most for me was the night she spent with me (and my mom) while I was in labor for my son. She had us laughing so hard we were crying, even through the labor pains. Only Ms. Madeline could do that. We all truly loved her. Please know my thoughts and prayers go out to you all.
