“ *I just found out this evening and I'm beyond tears. Malcolm was good to me when I worked for him at the Supreme Court. He looked after me and took care of me and gave me a place to live when I was getting divorced. His friendship and Leadership will not be forgotten by me ever. Vaughn Ehrman CPO USN Ret.*

“ We were honored to know Malcolm, Ann-Marie and Ian over many years. Malcolm was always there in time of need without hesitation, such as when we lost power after a storm and needed hotel accommodations or help with a crawfish party. He was a wonderful husband, father, public servant, and friend. Saints game parties will never be the same without his wise commentary, but we know he will be cheering the team on from Heaven as he watches over all of us. Blessings to Malcolm and family.

“ Malcolm, Ann-Marie, and Ian are family to me, Meredith and Marshall. We first met when our boys were in first grade at Ridgewood Academy, and since that day our friendship grew stronger with the passing of time. We loved Malcolm, his kind-heartedness, love of his family, and joy of cooking. You will be missed my friend and we will always miss you.

“ My fondest memory of Malcolm was when I visited with his sister at his home in New Orleans. Malcolm made me feel like I was apart of the family rather than a visitor that he had met fir the first time. I'll never forget that little smile that he guarded oh so well. Ann, I grieve with you and pray that your memories of this great man will give you joy instead of sorrow.
