“ *The Carter family is in our thoughts and prayers. Mrs. Mamie was a wonderful, loving person who welcomed many into her home. I have fond memories of many times spent there with Nancy. Nancy, thank you for introducing me to your mom many years ago - always remember the good times! Love you my friend!*

Lord, I lift up the Carter family to You. I ask that you give them the strength and faith to allow You to pull them through this hard time. Father, I thank You for welcoming Mrs. Mamie home into Your loving arms. Thank You for filling her heart with You, and for the way she shared You with others. I am grateful I was able to be a small part of such a wonderful woman's life. May the love she shared with others continue to bless many, as she did. In Jesus' most precious name...Amen

I met Mrs. Mamie through her son Donald, who is a true testament of her love for family and others. The first time I met Mrs. Mamie, she and Mr. Charles welcomed me into their home as if they knew me for years. They were a pleasure to spend time with when I had the honor to visit. Her heart was full of love and joy, and that was so apparent whenever I saw her. She passed that loving heart on to her son Donald. He is such a BLESSING, and brings so much joy to others. Obviously, taught to him by watching the way his mother lived. His smile is a always present, and he is always willing to give it to anyone who is interested. Through the 11 years I have known/worked with Donald, he has taught me much about not allowing your circumstances to steal your day. His smile/heart is so full of love, and he is always ready to share it with others. I know he made Mrs. Mamie proud because she told me so on the few honored occasions I was able to visit.

Her presence on this earth will be missed, and never forgotten. Her faith, love, peace and joy will live on through her children, grandchildren and great grandchildren. The love she shared with others was a true testament of Jesus in her life. She is and will continue to be a light in this dark world. A love/heart like hers does not go out easily or quickly.

Again, I am extremely honored I was able to be part of her, Mr. Charles, and Donald's life. May God bless you, her family and friends, as she would want you to be blessed...ABUNDANTLY.

*Sincerely and extremely blessed by the memories,
