

Marcus Paul Alleman

September 13, 1977 - May 31, 2017

On Wednesday, May 31, 2017 our beloved son, Marcus Paul Alleman, age 39, went to be with the Lord.

Marcus is survived by his father, George Alleman (wife, Cindy Alleman); mother, Hollis 'Holly' Terrebonne Alleman (Richard Guffey); brother, Jason Alleman; grandmother, Marie Holley Alleman; and numerous uncles, aunts and cousins.

Marcus was a loving and compassionate young man who loved animals. He had a variety of pets throughout his lifetime.

Marcus was born in San Antonio, TX and graduated from Mac Arthur High School in San Antonio; however, he lived most of his life in Metairie, LA. He loved Sportsman Paradise and all of the outdoor activities that it offered, especially fishing.

He was a very passionate fisherman. He loved all things fishing and spent many years perfecting his skills and designing hand crafted fishing lures. Many of his custom designed lures proved to be very effective. We can attest to that.

Whenever we see boats on trailers headed to the waters of Louisiana for a day of fishing we'll be thinking of Marcus. When we see a fisherman make a cast or toss a cast net into the water we'll be thinking of Marcus and how much he loved to fish. We spent many days on the water with him and we will deeply cherish those memories.

We love you Marcus and we miss you. Thank you for all the wonderful

memories and all of those great fishing photos.

Relatives and friends are invited to attend the Memorial Service at L. A. “ *My beautiful friend , a true observer, steward and lover of nature. Marcus is and was a child of nature and all that belonged to the natural world. A heart as tender as a teddy bear and as big as Texas. I would be remiss not to say he was the Best Fisherman I ever had the pleasure to know. A crab,a fish and a kiss goodbye until we meet again.*
