“ *I met Jeannie in the late 1960's, we met through her neighbor and friend Debbie Moore. This was when she lived in Gentilly just off Prentiss Ave. and St. Rock Ave. We attended Kennedy HS together and dated for a couple of years. We would go to all of the dances around town including the dances at the F&M Patio and Laborers Union Hall and Loyola's Danna Center, she loved to dance. After Kennedy I went to SLC and we lost touch. Just before Katrina we reconnected through a mutual friend Jeannie Kilgore, I only saw her a couple of times before she fell into the coma. I was elated to hear the news that she had regained consciousness and was doing well, but, now hearing the news of her passing in no less than heartbreaking. Jeannie was one of the nicest girls I ever met and even though I was not in her life, I will miss her. My condolences to her family and friends. May God bless her and hold her close for eternity. - Bill Phillpott*

“ *My deepest sympathies to all of Jeanie's family. As the tax partner at P&N, in charge of the Tonti account, I worked closely with Jeanie for more than two years, before I left the firm. Jeanie always looked beautiful and always comported herself in the most lady like manner. She was ever kind and gracious, even as she represented and worked for, the Tonti group. I tried to keep up with her health status after I heard she was ill, several years ago. I, too, lost my mother this year, and there is never any replacement for that type of love. You are in my thoughts. Katherine Parker*
