“ *Mom, You were The most beautiful mother any daughter could have . You were always there with your loving touch And your comforting smile to help All of your children , grandchildren, and great grandchildren. Your were also there for anyone that needed a helping hand are any help at all. You were loved by so many people in your lifetime and touched so many lives along the way. I know that you are in your moms arms after waiting 91 years to feel her touch. I also know that dad and Dorris were waiting for you with open arms. These thoughts comfort me when I miss you so much . I also know that Your savior was with you To help you make your transition to heaven and that comforts me also. He was beside you all the way. You are always in my heart . Love you alway.*

“ *Maw Maw Margie was the sweetest, kindest soul. Our matriarch. She taught us all how to laugh, love, and live. Her heart was always wide open. Her smile and laughter was contagious. I am so thankful that I got to be a part of her life. I am thankful for the life lessons, for the support, and for the love that she always showed us. Thankful for the memories that will last a lifetime. What a legacy she has left behind.*

“ Mom,
Although it hurts so deeply to let you go, we understand your purpose is completed.
You stayed strong during difficult times. You taught kindness and compassion. You were extremely wise and smart. You were a beautiful example to so many. You were funny and quick witted. A charming lady. You raised your children, grandchildren and great grandchildren to be kind, achieving and loving. How blessed we are that God gave us to you. You will always be loved and in our hearts.
Much Love,
Tommy and Cynthia
