“ *Grandma Marge was a wonderful grandmother. She was always very kind and generous. I was always fascinated by her love of nature and wildlife. She would get so excited about spotting any kind of animal, even if it was a tiny bird. We will miss her everyday and hope that she is up in heaven surrounded by loved ones and lots of beautiful creatures.*

“ *Hunter and I send our deepest heartfelt sympathies to the entire Marsh family, especially to Brian, Donna and the girls, to whom we are closest. Ms. Margie was a delightful lady and she and Mr. Skip made a lovely couple. I remember when Mr. Skip got a new camera and was trying to take pictures of the family. He was like a kid with a new toy, with his black glasses riding low on his nose, as he read the long instruction list. Ms. Margie patiently waited for a long while and finally said, "take any picture, Skip, and figure it out later." She will be missed and she was so very much loved. We love you all. Let her loving legacy with her beautiful smile, be one of your memories.*

“ Marge was a wonderful mother-in-law. She welcomed me from the very beginning into her family. I loved going out with her for "short beers" - even though they usually ended up like longer beers.:) She loved our mimosas with plenty of cherries! Marge had a wonderful sense of fun, and I will miss her everyday.
