“ *May God give you the strength, peace and comfort during this difficult time. Mark and I will miss seeing Sissy feeding the cats in the neighborhood. Remember Lynne, we are just across the street if you need anything, day or night. Our thoughts and prayers are with you always.*

“ *I remember Sissy since I was a young child. She always had the softest voice and sweetest disposition. She loved animals and took greatly to the cats outside her home. She enjoyed taking care of the garden and set an example for all women in the workforce. Sissy's life is a motivation to not only the women in her life, but all others whose life she touched. She will missed but never forgotten. And we dearly love her sister and best friend, Lynne.*

“ *Sending my deepest condolences to my next door neighbor, & partner in crime. I know the road ahead will be difficult but just know I'll always be standing at the fence waiting to lend a ear. Sissy now knows our fence gossip bet she's laughing her tail off at us crazy girls.
May God hold you in his hands
Love ya Shari*
