“ *My fondest memory of Ms. Lachney is how she made me feel when I would talk to her whenever she came to my work. I remember the very first time I met her, it was like she knew me forever. She made me feel so comfortable and special, as though I were family. Her smile and beautiful way was her gift to me, and I will always cherish that forever.... God bless this family during this very difficult time. May the Lord comfort you and grant you peace as you remember and celebrate the life of such a wonderful Angel.*
