“ *We are honored to have known Marilyn but more importantly to be able to call her our friend. She was a sweet and kind person, always there with a smile and a hug when needed. Her love for her family was one of her greatest attributes. She adored her children and grandchildren. and was always ready to share something special about them with anyone she met. We will miss her greatly.*

“ *I didn't know Marilyn well, but I do know that whenever I spent time with her she bragged about her family. She loved her family! She will be greatly missed!*
