“ *First let me say how deeply sorry I am for your loss...I sure wish I could have known Mark as an adult, but I did know he was a talented chef. One of the memories that first came to mind was of Linda and Mark fishing for gars off the dock. They were BFF when it came to fishing or exploring the woods across the street. Sure wish I had some photos of those days but anything I had went under water during Katrina when we lived in Eden Isles.*

I was sad to read that Judy had passed away...Arbie did too, 10 years ago.

My prayers are with you and all the family.

Sincerely, Gretchen
