“ *Still think of my friend of 37+ years often. I sure miss going by the shop and hanging out with Mark. People today over use the term "friend", most are acquaintances. Mark was a friend, and a good man. I sure hope we meet up again one day.*

“ *I met Mark briefly but talked quite a bit and he was a very caring man. He worried about his very good buddy that use to ride motorcycles with him and his children. He didn't talk about himself. I happen to come across his picture and was schocked. Had no idea pf his passing. I am so sorry for the family.*
