“ *Maryann was a kind, loving, and strong woman who loved and cared for my brother Leroy with as llb of her heart and soul. They loved to travel to the Smokey Mountains, TN and to visit out sister Paulette Massey and her children Marlinda Buckner and Edwin Kraus. She built a loving home and family with my brother and together they experienced a wonderful life. When she was diagnosed with cancer it was a hard blow to all of us. I would like to thank Flo her neice who brought her to all of her doctors appointments, lab test, scans, chemo/radiation treatments and countless days at home and in the hospital until her children were available to do these things with her. I love you Maryann Fortado with all my heart 💖. I will miss you dearly 😭. It comforts me that we will be in heaven together on day.*
