“ Mary was my best friend for almost 60 years and it is taking me awhile to accept her passing. I am not there yet. The Mary I knew was happy, loving, hard working and always ready for an adventure.

We met in Natchitoches at NSU in 1969. She traveled home to New Orleans with me and continued to visit my family if I was with her or not. We did not have cars so we traveled the city by bus and streetcar. She always credited me for teaching her how to use the transit system. It was easy back then.

After school she stayed in New Orleans with the exception of a short stay in Boston. Mary married Seneth and they had Jacob and then Tony. About that time we lost touch but only for a short while. We always called and talked.

Mary was an amazing nurse. Because she had her BS in nursing her supervisors wanted her to go into administration but she only wanted to care for her patients.

As we aged we fussed about our health as most ladies do. I understood her pain as well as her inability to take meds. She loved to walk and couldn't do much of that anymore. She absolutely loved her family and always wanted to be there for them. She always tried her best.

Mary was one of Gods finest and He spoke the last Amen,

Of course, I offer my condolences to her family. I have spoken with Seneth and will continue to do so. I don't know her son's well but I feel like I do. I .met Dominic before I met Mary. I have never met Vince but I know Clemi. The truth is, I know everyone through Mary and I wish all of you peace and blessings.

“ Mary was a beautiful, wonderful person. I absolutely will treasure the time we got to spend with her. My family spent a vacation with the Legendre family in Arkansas. Mary looked like this sweet, innocent lady. I didn't know how feisty she was. We were all playing cards, Phase 10, I ended up going out which resulted in Mary getting a lot of points. Mary, flipped me the bird! I couldn't believe it!! This sweet little lady giving me the finger. We all had a good laugh. Mary was an absolute treasure. This world is less without her presence. Though, I know Heaven, got a good one. Mary, please don't flip anyone the bird until you pass that threshold. Love you!

Senny, I will never forget how your beautiful Mary saved our Daddy's life while working as a nurse at Mercy Hospital, where you two met. She was always helping and caring for others, especially in the family. Mary always took the initiative to sit all night, many times more, for someone who had surgery. I know because she did that for me with two surgeries. She knew our Mother, whom she affectionately named, "Maw," couldn't be there for me. She would always ask me about Sean and Ean. She was such a beautiful person to talk with who had such a warm, big heart, and was such a good listener.

She loved to visit historical places, especially plantations, and she was always ready for road trips and fun. She had a thirst for research; she found the newspaper articles on Uncle Bob, (Robert Bertholl) swimming Lake Pontchartrain in 1932.

Senny, Keith and I are so sorry for the loss of your loving bride of 52 years.

Jacob and Tony, we are so sorry for the loss of your precious Mother.

May our Lord Jesus Christ send the Holy Spirit to comfort all who mourning her loss. "He came to heal the brokenhearted and to bind up their wounds" Psalms 147:3
