“ *I visited Alice in July, we had a great time. Talked, prayed and so enjoyed time together. She was very ill then but, was able to laugh at everything as usual. Also, she has other sickness in her family, she was so concerned about. We also prayed God's best blessinks upon them.*

“ *My deepest condolences to all of you. May the memories of your loved one bring the blessing of peace and joy to you as you celebrate her life. She is at home now with Jesus and is no longer suffering or in pain. She will be missed but always remembered.*

God didn't promise days without pain, laughter without sorrow, nor sun without rain but He did promise strength for the day, comfort for the tears, and light for the way.

*Love, blessings and prayers,
