“ *Sad news of Mary's death. She was my friend, and she was part of my STM choir family. Just a couple of years ago, she did a sweet and generous thing and gave one of her violins to one of my granddaughters. I will always think of Mary when I hear that granddaughter play that violin. My prayers for the family.*

“ *Sean and family, I was so very sorry to hear of Mary's death. I knew her, Cliff, and Paul for many years through the ham radio community. She and Cliff were in one of the first ham radio classes that I taught at MTA ARC. Her many years of service to the ham community, and to the Jefferson Amateur Radio Club, were greatly appreciated. My prayers for you and your family.*
