“ *All because of her I enjoyed my first beignet, my first shrimp boil, my first fried shrimp, the best spaghetti and meat balls I ever ate! All because of her I learned how to pronouce those French names when I came to visit. GOLLY BUM LOOK AT ALL THAT WATER!!!! Lake Ponchchatrain was the biggest body of water I had ever seen til I went to visit her and her family for the summer. I still remember how they all laughed and me. So many fond and wonderful memories to cherish! One of the best BIG SISTERS a girl could ever ask for. She always went out of her way to make you feel special and to insure that you had a good time. She will be missed!!!Love your little sister.*

“*Mary always called me brother in law. She was an awesome cook and always made you feel very welcome in her home. She will be missed by many. Praying that God fills the empty place in your life at this time. Cling to the good memories you have of her and choose to let go of the difficult times. Richard Crocker*
