“ *Matt, Deb and I reminisced today about when you came to live with us for a few weeks in Florida. You helped us with our baby girls and cooked with me. I still chop onions the way you taught me then. I'm proud to have had you as a friend for these past 36 years. May your memory be eternal. God bless you and your family, Greg Karahalis*

“ We always enjoyed seeing Mr. Birke come into the children's department of the library with his children. He was a very loving and devoted dad, always proud of his children - Noah, Madeleine, and Evangeline. We are deeply saddened by his loss and wish his family much peace and comfort at this time. We are here for you all.
