“ *I truly miss you so very much. The calls, and seeing your smiling face every time i surprised you. I loved that. You were the best mom ever and Daddy was the best father. You both know that as I told you often and you both let me know how proud y'all were of me. Y'all loved me so much and both of you are always everywhere and I know you both help me in doing things. I am so blessed because of my wonderful parents.*

“ *Aunt Mazel, your love and presence on this realm of life will truly be miss. To my cousins I'm sorry I couldn't make it to her funeral, just wasn't up to going out yet. You all were in my thought and prayers. Love you all even if we don't get to see and visit. Your mom was one of my favorite aunts I just want y'all to know this. God Bless her and y'all in this time. Love to the family and peace to all,
