“ *My heart goes out to all Mike's family and friends. Mike and I worked together at Jim's office and quickly became great friends. We shared laughs and good times together. He even let me cry on his shoulder when I needed to. There was nothing he wouldn't do to help someone out that he cared about. He had the biggest heart and said whatever was on his mind. Mike, I'm gonna miss your husky voice and all your Cat's Meow stories. May god bless you and keep you close to him. Take in the marvel that is heaven...and watch over us here on earth. Love from Meme*
