“ *Mike was a great guy. My son was on his bus and always gave Mike a hug bye. Sometimes Mike would blow the horn when my son would pass in front the bus to mess with him. I would see mike everyday waiting for my son and he always pointed at me everyday and I pointed at him. I will really miss that.*

He did love y'all. He called everyone to his school family. He would tell me that he loved listening to you women chattering on the radio. He always had stories of his school family. He would say boy them women can talk. I know how much y'all loved him and he knew too.

“ Mr. Mike was so adored by my boys! They said he was the coolest bus driver they had ever had. Everytime we passed his house my boys had to wave or stop to say hello. He was a very sweet man and always made a point to speak to us if he saw us. He will be greatly missed not only by our family, but to the entire Luling community.

“ This is a sad day for us, The Rodney Miller Family. Mike was like a family member to us throughout his school days and after the military stint. Although he moved away he always kept in touch and visited when he came to town. I, Penny, will always remember the good care and responsibility he showed when he babysat for us. He was always available to help out, an all-around good guy. He will be missed by a lot of people! May God keep him close!

“ What a sweet man, gone too soon! My girls loved him and I felt like a family member was driving them to school. He would come back home and let them get something if they forgot it ;) what a great legacy he left behind, everyone loved him. May God bless his family and friends.

“ *Mr Mike, I can't even begin to tell you how special you were to our family. Both of my kids loved having you as their bus driver. I will never forget the day Hannah asked me what is bucket night? She looked forward to you asking her , Hannah what's tonight ? She would reply it's bucket night. I think we were all excited dropping off your bucket of beer at your house. We will miss you my friend. You will never be forgotten.*

*Right about now you should be getting ready for work with me and all nine dogs in there with you keeping you company. Of course this is after you push snooze twice. Yesterday I just sat there and pushed snooze twice but today I turned it off. No more having to get up at 4:48 in the morning. I can still feel your arms around me I can still smell you can still hear you I love you so much. You will forever be with me in my heart. I will love you forever. Goodbye my love my best friend and my everything.*
