“ *Michael was a cool cat. It's that simple. He was a cool cat. Michael remembered me from years gone by, gave me more respect that I ever requested, and was a true friend when I needed him most. I am blessed to have had him by my side, with me when times were rough and the trust he gave me from the time we reunited.*

To everyone in the family, please know that all of you are in my prayers. I will keep you in my prayers and am going to keep all the wonderful smiles, laughs and 'what-if's' we shared and hope to see him when my time to visit the Heavens arrive.

Godspeed, my friend.

“ *So here it is Friday afternoon back in the day. We decide we want to go to Florida for the weekend. So we jump in his van and on the way we go. Only to get there to find out no rooms available. Now it's 1:30 in the morning. Just about had enough and here comes this hole in a wall place with only one room left with a broken air condition. We convinced him to let us have it and told him Mike could fix it cause he was an ac man. And once again fun times were had by all. May you Rest In Peace our friend. Love you and Donna very much. Love, Jake and Diane*

Mike, do you remember the time we (you Rhonda, Dale and me) went to Mobile in my car. You drove. We went over the "Dolly Parton Bridge" and I was scared to death. It was called this because it had two huge humps. LOL. Also, I will never forget when we all met up at Rhonda's, your greeting to me was.....Hey "J", how you doin? You always called me "J". Ronnie and I will always remember you. You are the most kind and sweetest man. We are sending prayers for the entire family.
