“ *My first memory of you is when you first got to Curtis and I was excited to have another “BigGuy” to hang with. You were always smiling and people naturally wanted to be around you. My prayers to your family as they will miss you the most! I pray for strength and healing for your mom and sister!*

“ *I remember the day I found out I was pregnant. I was so excited to be your mom and when they laid you in my arms I knew our bond would never be broken. You were my heart then and now. We've had our ups and down but in the end our love survived. I will never let you go or be forgotten my precious son. Until we meet again I will love you forever Mom.*

“ *Continued prayers for all of Michael's loved ones. I know that he will continue to be a part of you and you will carry on and share the memories. I know seeing the pics of him when he was a baby and little boy brings back a long time ago memories for me. Just be strong because I'm sure that is what he would want out of all of you!*

“ Michael Nanny remembers the day you were born. You were a sweet child and very loved. As all of us you faced many trials and tribulations in your life but, you fought and overcame them, I am so proud of the man you became. Jesus was too. You gave your life to Jesus and I know you are with Him now. Namny loves you so much and am missing you but I know you are in a better place and I will see you again. Love you my baby boy.
