“ My dear brother was a very kind man! He was so full of love! There is no words to explain - he kept that kid in him alive always! He always made me smile and laugh! When he visited me he checked everything in the house to make sure it was all working! His phone calls even made me laugh! I will miss him deeply!💔
He was a big loving teddy bear! May he have eternal peace and love! He will live in my heart and the hearts of that loved him! He left us with so many beautiful memories and I thank him for that! Rest now my sweet brother!🙏😊
