December 1943 - April 2022

With sadness, love, and profound gratitude, the family of Michelle Estes Harris announces her loss of life, encompassed in peace and love, in the early morning of April 20, 2022.

In December of 1943, Michelle Estes Harris, a Metairie resident, was the first of three children born to Forsee 'Jack' Estes and Lena Mae Treadaway Estes, of Destrehan.

“ *I remember the first time I met Mikey, I was struck by her natural beauty, with a soul even more beautiful. Even through trials, she still seemed to always have a smile on her face. Didn't realize all the losses in her life. Can only imagine the happiness she will experience when all her "angels" were there to greet her when she earned her "Angel Wings". She will be missed by so many.*

Mikie was the first person I met when we were looking at buying the house next to hers. We became good friends over the 20+years. Many movies, lunches, shopping and trip in town to get special grocery items. I would call CafeCafe to find out what soup they had, if she likes it, we were in our way. Trips to visit her brother John and her family in Destrahan were all day, of course including food. She became my dearest friend, we would meet at the back fence or side window to hand each other special things. I've missed her for the last year, since she got hurt. But I will forever miss my sweet neighbor, her laugh and her beautiful face will be in my heart always, Lani

My greatest childhood memory can and always will be attributed to you. That them continued throughout my life and I thank you for that. Your laughter, your gentle reminders to be kind, and you always putting others before yourself, are only a few reasons my heart will never be the same without you. I love you, more than words. Love, Michi Lee'

I am so sorry to hear about Mickey's death. Remember all the trips her and family took to Port Sulphur when we were young. I was surprised when I went on a cruise and she was there with her son Thad. We got to visit and catch up on our lives. Sorry I'm there today but my prayers are with her family and friends.

Met Mikey Lou and Darlene when they lived next to my Aunt Irma Barbier. Later when we were in high school we connected again. She was the best storyteller, we all loved listening to her. Sorry to hear of her passing.
