

Michelle Lauren Thibodeaux

March 20, 1965 - March 4, 2018

Michelle Lauren Thibodeaux, 52, peacefully returned to her eternal home on March 4, 2018 after a valiant battle with a long illness. A New Orleans native, Michelle was a very loving mother, loved everything about life and was eager to express it. If you ever met Michelle, even once, she made you laugh, you became friends and you won't ever forget her. This was her gift. Her devotion to her family and belief in God supported her struggles and ultimately gave her peace.

Michelle is survived by her husband, Ted Hoyle; her sons, Justin (Vivian) and Joshua Thibodeaux; her grandchildren, Ainsley and Justin Thibodeaux; her parents, Mary and Agustin Membreno; her sisters, Lisa Hendrix (Gerald) and Lydia Dyche (George); her brothers, Rusty (Diane), Michael (Silvia) and Richard (Abigail) Membreno; her nephews and niece, Drexel, Mark and Morgan Membreno and George and Alex Dyche. Michelle was also "Mimi Michelle" to Rebekah Riggin, Tanya (Lance), Seth and Riley Scuderi and Tina Catalanotto. Michelle is preceded in death by her first husband, Brian Thibodeaux and her grandparents, Beulah (Marcel) Tujague and Ashley Parr (Mary) and Agustin and Rosa Membreno Gonzalez.

Relatives and friends are invited to attend a Celebration of Life Service on Friday, March 9, 2018 at the Victorian Hall / New Covenant Fellowship, 3830 Williams Blvd., Kenner, LA 70065 (2nd Floor) from 2-4 p.m. In lieu of flowers, donations can be made in Michelle's name to the Ochsner Multi-Organ Transplant Institution, www.ochsner.org/MichelleMemorial

“ *I only met Michelle once at her mother's award luncheon. I laughed the entire time I was in her presence. What a gift to share... laugh and the world laughs with you. Although Mary and family will miss Michelle they should be at peace in knowing the loving support shown to her for an extended period of time. Michelle is now in Heaven and she and my mom Vee are surely looking down on us with love & peace.*

“ To my dear friend Michelle, you are my inspiration. You saw positive when I saw negative. You showed me new meaning to the word fight, and how the willingness to want to live can pull you through, and how strong the power of prayer can be as I watch you being prayed over. You were amazing during your struggle, and a miracle to survive as long as you did. It is now time for you to rest in peace and to be free of pain.

I will miss our night talks, but my heart is at peace to know you are no longer in pain.

*Love You,
Belinda*
