“ *I have a lot of memories of Aunt Mildred that I can remember from going on vacations in her old van to doing chores around her house for my moms Christmas present. The one I'm going to share today is the one time she caught me and Michon smoking cigarettes. When she caught us smoking she made us smoke a cigar until we felt sick. She thought that was funny of course we didn't, but when she laughed you know it was genuine. I will miss her sooo much. Even though I have a mother she was like a mother figure to me. I knew she would always be there for me when I needed her. She was there for anyone in the family if they needed her. She will be missed and she will always be loved!!! RIP Aunt Mildred. I love you!!*

“ My sister next to my mama, had to practically take care of the younger ones...Some said she was mean but everybody has their ways...She would help anyone and anybody she possibly could,We all had our moments but brothers & sisters never stayed mad at each other...We all bowled together except maybe one or 2,even my mom,such good memories...One of her proudest moments was her bowling a 300 ,beat me,I only got close...My mama even bowled a 275, never forget our memories...  
She loved animals and they were never mistreated...They stayed next to her until the end...I will miss you so much..  
In life we know that none of us will live forever..Our loved ones & friends will pass but no matter how hard we try, it is never easy to say goodbye....Dance with the rest of the family now and the angels....Always in my Heart..☁
