“ *As Jesse and I sit here and think about the memories of all the fun and crazy things we did as kids with you, I can think of one word that sums it all up "central". From playing football, to the nights we all snuck into the pool across the street. There are so many more I could go on for days. We are so happy that we got to spent part of our childhood with you and can look back on all the good times we had. You were such a caring and handsome young man and will be missed. Til we meet again.*

“ Tonne my Dear Tonne ur big sis heart is broken and will never be fixed. But I will live off all our great memories. When we were kids oh my goodness you were so bad never listening to me I was always telling mawmaw or mom on you always blackmailing you that I was gonna call mawmaw on you. But over the years you've grown to be the complete opposite. Such an handsome young man my friends just loved to see you walk in the room. Tonne you became my rock this past year we've become closer our bond grew so tight. Tonne I'm so grateful for you and if one day I would to ever have a son I wish he would be just like his uncle Tonne. Cause ur the best
I love you so much and you keep Dee company up there until we meet again. Love your big sis Cierr
