My Mom and Dad to see Mom's Aunt and Uncle and her Dad come to see us in New Orleans. As you can tell they had been to Mardi Gras and were ready to party in the quarter.

Ms. Molly was always the sweetest lady to me. Each time I would visit we would have wonderful little chats. I always just called her Mom. That is the way she made feel. She was always excited to see me and I always enjoyed seeing her. I will miss her. In my heart I know she is free from pain and in a happy place. My heart goes out to her family. Especially to Jimmy and Gayle who watched over her faithfully in her last years. We would all be so lucky to have someone like them to care for us. God Bless ya.

Joey is a loving person to his grandmother. No matter when growing up and living in New Orleans, Madisonville or when he moved to New York, Minnesota and now California. He always called and sang to his Granny. Mom was so happy for him, Alex, and their adopted son River.
