“ *Donna, I was saddened to read of your mother's passing in today's paper. Please accept my sincere condolences on your great loss. While I would love to comfort you with a hug and a listening ear, I will be caring for my two-month old granddaughter on Monday, so, regretfully, I will be unable to attend the funeral. Please know that I will be praying for God's peace and love to embrace your family as you journey through your grief.*

With sympathy and love, Sandra Granier
