“ *I will always remember and cherish my friend Nancy Russell. We lived in Luling, Louisiana some years past and Nancy and I were both pregnant- Nancy with her second child Shelly and me with my first child Kimberly. She helped me so much learn about pregnancy and child care. We kept up with each other through the years. My sympathy for Martin, Brett, Shelly and families. Love and Prayers, Sharon Chappell*

“ I am so sad to hear this. I knew Nancy from going to the gym with her. Although we lived nearly right across the street from each other. I will ALWAYS remember her, especially when I hear someone say hello neighbor. Once Nancy and I realized we were neighbors she would always say to me, no matter where she would see me....."Hey Neighbor!!".. Such a sweetheart and was always fun to work out with. RIP Nancy (Neighbor)fly high with the Angels.

“ Such a sweet lady. I remember the afternoon we spent together when she was kind enough to demonstrate her embroidery machine for me. Brett, our thoughts are with you and your family.

“ I knew Mrs. Nancy, Mr. Martin, Brett, and Shelley when I was much younger growing up through church. I found she always had a funny demeanor, even though we were sometimes not the best of teens, she had a way to keep us in line without making us fearful. She most certainly left a positive memory in my youth. Very sorry to hear this. 😞. Prayers to the rest of the fam. 🙏🙏🙏

“ Nancy was a friend and my neighbor for over 35 years. I love her and miss her already. I just texted her a few days before she passed and she always was more concerned about how I was even though I was checking in to see how she was doing. She loved to talk about Jesus and I will always have a special place in my heart for Nancy. I am praying for the Russell family. Rest In Peace sweet Nancy, you have earned your wings.
