“ *Condolences to my dear friends and co-workers Connie and Amy. Nickie was an Angel sent. He had such a Beautiful Spirit and Soul. I will never forget the first day I started working with KPD he welcomed me with open arms. That felt very good and was very comforting. After that I knew he was a kind, warm hearted and good spirited individual/person, and for that I will NEVER forget. Connie you did a wonderful job as a wife and especially in taking care of your husband up until as the bible states "Until Death Do You Part". That you definitely did. Nickie will be missed tremendously. To All the Family you all stay strong and my sincerest and deepest condolences to you all. God Bless!!*

“ I loved working with Nick. He had such a positive attitude and a great work ethic. We enjoyed talking about our mutual interests, especially songs by the group “Alabama”. He adored Connie and his daughters so much.
