“ *Becky and family - I'm so happy to have had the pleasure to have met your Mom. I recall she had some health issues back then but it appears she's been a strong woman. However, I don't know that anyone has the stamina that YOU have. My condolences on your loss!!!! I know your faith and commitment to family will pull you through this difficult time. May you be comforted recollecting great memories of your mom and may you be blessed with happier circumstances in the near future. Miss you! Sherry Jovic*
