“ *My name is Angel, I am one of Jehovah's Witnesses. Loss of a loved one can be painful to endure, but the bible offers us comfort in our time of grief. At John 11:25,26, Jesus tells us; "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life; and everyone who is living and exercises faith in me will never die at all." The resurrection hope is a real source of comfort for all those who have loss loved ones in death. If you would like to know more about what the bible teaches about the resurrection hope, please contact your local Kingdom Hall for a free bible study. Your family is in my thoughts and prayers during this difficult time.*
