“ *Terry, Brenda, Sharon, Ashley, & Haley, I am so sorry to hear of Pam's passing. Thank you for sharing your Mother & Grandmother with me and welcoming me at family gatherings for many years while I was her neighbor. I will never forget her laugh or the funny way she loved to cuss. \$*#! You definitely knew where you stood with Pam! I have so many funny memories of her. We shared a love for Bailey, sweets and often enjoyed ice cream sundaes in the evening. I will miss her cabbage patties & shrimp and corn soup as well as sharing my home-cooked meals with her. I know she lived with a lot of pain and that is no more. God bless her and you all as you grieve her loss.*
