EV

My days at Holy Cross were the happiest of my life. When I worked in the Middle School at the old campus. Pat Allo was my boss. I later moved to the library to become the assistant to Pam Person, who moved to Hannan High.

That is when I became the head librarian at HC, and made lifelong friends whom I still call, see when I am in the South - Earl Fox, the Orkus brothers. There are too many to mention.

Pat was a great educator and a fine person. May she rest in Peace.
