“ Patrica as I sit and write this to you and your family, I am still in disbelief. I feel so selfish knowing you are in a better place but I am missing you so much. You were and will always be my best friend. I wake up still waiting to hear from you. I am so lost without you. When I seen you on Tuesday I would have never thought I wouldn't see you again. Danny and I will always be there for Corey and Christopher. We will never forget you. You were my rock and your family will always be part of my family. I Love you always. You will be missed.

We will miss you terribly and all the 27 years of memories will have to keep us going. We were like the 3 Muskateers back then....you, Tracy and me (and our hubbies).
