“ *Our condolences to you and your family. We have many fond memories of Ms. Pat playing cards & dominoes. We know this has been a big change in your life more impactful than Covid. We are here if you need to talk or spend some time relaxing.*

“ *Please accept my deepest condolences to the family for the loss of your Mom. I did not know Pat and have only talked to her on 2 occasions. But I have known her son Michael for a long time. I have witnessed Michael's dealing with his mother's mental health in the last few years and I know he did everything from a loving desire to do everything he could for his mother. I know Patricia was a good person because she raised Michael to become a fine man. I know Michael will miss her.*

*It is hard to lose anyone close but especially your mother. Keep her in your heart. May the gates of Heaven open wide for Pat.*

*Please accept my deepest condolences Michael for losing your mother. Mom is our first teacher, friend and caretaker. Mom gave us life with her life. I lost mine in 2008 and I have never stopped missing her. But I know she is in a better place with God and I'm sure Patricia is there too in heaven right next to God. My heart goes to you Michael and your family during this difficult time. Ray Wang*
