“ *Pat was the most wonderful boss a person could ask for at Crown Beverage Co. Also enjoyed working for him at Jackson Brewery. We enjoyed a few beers together and a lot of good times with family and friends. May he rest in peace in his heavenly home.*

“ *Dear Edith, It is hard to express how I enjoyed COFFEE MONDAY every 4 weeks when PAT and John would have their haircuts. John would come for 9am, Pat would bring the coffee at 9:30 and the three of us would talk about everything, some stories more than once. This went on for several decades or more, we enjoyed every minute. Pat will surely be missed, I ENJOYED his Friendship!

To the Dorions:

Pat was such a gracious and sweet man...he ALWAYS said hello, ALWAYS inquired about Ken, Kenny and Ashlyn and ALWAYS had a charming smile for me....such a delightful soul who made everyone comfortable and was a joy to be with. How fortunate we all were to know him. How fortunate you were to have him as your own...wishing you peace and joy in the knowledge he led such a good life. God's Blessings upon you...
